

The Missouri Valley Ministerial Association is sponsoring a "Back to School Supplies Project." Each church is asked to collect school supplies that will be delivered to the Harrison County Food Pantry to distribute to students. If you would like to help with this project, you can drop the supplies off at St. Paul Lutheran by July 31. The church will see that the items get delivered to be handed out on August 1. Attached to this email is a copy of the Missouri Valley Community School Supply List. Any of these items will be appreciated.

You can also donate money if you would prefer that way to help with the project. You can make the check payable to the Harrison County Food Pantry. You can drop off the check at the church to be delivered to the Food Pantry.

We would like to thank you for helping with this project. During these interesting times, there is a need to help the families in our area. Your help is appreciated.
